

## February Profile Principal's Report

Congratulations to our Profile School Boy's and Girl's Alpine Ski Teams for winning Division IV State Championships two years in a row. The Girls Team skied Monday February 11 at Loon Mountain, beating out Lin-Wood by 1 point, while the Boys Team skied Thursday at Crotched Mountain and overcame a morning deficit to beat Lin-Wood. We were able to bring a group of students to support and cheer on both teams to victory. Profile School will send a student-support group to the Nordic Ski Team March 6th in Jackson.

Julia Fahlbeck has been selected to the US Presidential Scholars Program. The U.S. Presidential Scholars Program was established in 1964, by executive order of the President, to recognize and honor some of our nation's most distinguished graduating high school seniors. In 1979, the program was extended to recognize students who demonstrate exceptional talent in the visual, creative and performing arts. In 2015, the program was again extended to recognize students who demonstrate ability and accomplishment in career and technical education fields. Each year, up to 161 students are named as Presidential Scholars, one of the nation's highest honors for high school students and we are very proud of Julia and her accomplishments!

Winter Carnival activities are well underway. The Student Council, along with Angela Figallo-McShane have a fun-filled week planned for the students and adults at Profile School. The action packed week is always a student and faculty favorite and an excellent platform for enhancing school climate and culture. There is an assortment of activities planned, including dress-up days (with each day having a theme), daily class competitions and activities, and culminating with our Winter Carnival Day and Dance. Profile has been posting dates, themes, etc. to our website and sharing on our social media platform. We are looking forward to a great week, ending with the semi-formal dance on Friday 2/22.

The boys and girls basketball teams finished their regular season during the week of February 11th. The boys worked hard all season, seeing a lot of growth for our young team; unfortunately, they did not make the cutoff for playoffs, however there is much to look forward to in these young Patriots.. The girls team will travel to Hinsdale on Monday 2/18 to play in the preliminary round of the girls bracket. Go Profile!
