

January Profile Principal's Report

Auditions are complete and preparations and rehearsals are underway for the March musical production of The Little Mermaid. The play will take place March 7-9 in the Lafayette multi-purpose room. There was an excellent showing of students auditioning for the available parts. Director Mrs. Bushway and Music Director Mrs. Ressler are excited and look forward to returning theater to Profile.

Winter sports are well underway with all our teams performing well. The Nordic and Alpine teams have been able to get some practices in as they prepare for an compete in their initial meets of the year. The girl's varsity basketball team finished as runner-ups in the Gorham Winter Tournament. We're looking forward to seeing how competitive all the teams are as the winter season progresses.

Tim, Josh Lawton, and I attended a leadership development workshop with Bill Bryan of CCSR in Middletown Connecticut on January 8. We worked with teams from Connecticut and New Hampshire during the day. This was day one of a two day workshop series, since we were unable to attend the second day, Bill will let us know when he schedules another development workshop to allow us complete the training.
