**V. School Climate & Culture:**

- a. Community Meeting
  - Community Meeting continues to present cultural, academic, and social-emotional activities to the Profile community.
  - Community Meeting presently undergoing restructure, allowing for smaller group/advisory meetings to address timely and relevant topics.
    - a) Profile High School students were present for a 'suicide awareness' presentation, with Guidance and field experts available for support as

needed. Families were notified prior to the presentation and students had the option to 'opt out,' should they have decided to.

- (1) Feedback to the presentation were submitted to the SAP and Guidance and was largely positive.

b. Winter Carnival

- Profile School's Winter Carnival occurred the week prior to winter break.
  - a) Student's were held to an 'accountability standard' whereby
    - (1) Each student's classroom teacher needed to 'sign off' on a student's academic eligibility--daily--for the student to participate in the activities.
    - (2) Students deemed 'ineligible' reported to a 'targeted study hall' where they were afforded the opportunity & academic support to become current and improve their performance/grades within specific classes.
    - (3) Initially, there was a high number of students who were required to report to targeted study halls, but the numbers decreased throughout the week--as students met with teachers, completed assignments, and made substantial academic gains,--culminating with the majority of students participating in the 'Winter Carnival Day.'

c. Student Council

- Profile Student Council played a vital role in the implementation of Profile's Winter Carnival and Winter Carnival Dance, with both being highly successful.
- Student Council is working to plan a Spring Fling--school climate--Activity Day
  - a) Ways & Means to better implement the X-block model
    - (1) Presently, Administration & Guidance are reviewing recommendations to determine a 2017-2018 x-block plan.

d. YLTA
